on Sempermed products

FASTER DONNING

EVERY SECOND COUNTS

PATIENT CARE IN SECONDS FLAT

A few seconds may not seem like much, but it can mean everything to a patient

MORE GLOVES PER BOX

- Greater efficiencies
- Less packaging waste
- Less storage space

Then... **100** Per Box

Now... **200, 250 & 300** Gloves Per Box

Smart Dispense Technology

RESULTED IN OVER 2,500 TREES SAVED IN 2018

OUT-OF-THE-BOX THINKING. EVERY. SINGLE. PULL.

At Sempermed we take extra steps in our packing process to improve your hand protection experience. Our Smart Dispense Technology, Single Glove Delivery® packaging assures efficient dispensing, which means less wrinkles and less waste. It also allows for easy donning, so you can quickly get to the job at hand. If smooth glove dispensing is important to you, try one of our eight exam glove brands that offer Smart Dispense Technology, Single Glove Delivery®: SemperCare®, TenderTouch®, StarMed® Rose, StarMed® Ultra, StarMed® Plus, StarMed® Select, StarMed® Black, and SemperShield® CR.
